

# FOUNDER'S *Circle*

RESCUE | REHABILITATION | RELEASE | SANCTUARY | EDUCATION | ADVOCACY

## OUR MISSION

*To rescue, rehabilitate, and release native wildlife and to provide sanctuary, individualized care, and a voice for other animals in need.*

Wildlife Rescue's **VISION** is that humans come to see that we are members of a vast life community, that we experience the proper gratitude and respect for this community, and that we live in a more appropriate and compassionate manner in relation to the whole.

Our **ETHIC** is to rescue and care for all wildlife, including native and nonnative species. We believe that all animals — rare or common, regardless of species — are deserving of our care, attention, and respect.

**More than 40 years ago**, Lynn Cuny founded Wildlife Rescue & Rehabilitation in her small San Antonio back yard. Today, the organization includes a 212-acre sanctuary in Kendalia and WRR's Sherman Animal Care Complex in San Antonio and cares for approximately 10,000 wild lives each year.

## What it means to be a Founder's Circle Member

Over the years, thousands of faithful supporters provided the resources that allowed Wildlife Rescue to purchase animal food and medications, expand services, build enclosures, and to do whatever was necessary to give injured, ill, abused, and orphaned animals a second chance at life. Since WRR began in 1977 more than 200,000 have come to our doors and no animal has ever been turned away.

### FOUNDER'S Circle

*The Founder's Circle brings together Wildlife Rescue's most committed supporters who are ready to elevate their level of assistance to ensure the work being done on behalf of wildlife and Nature continues.*

**Membership in Founder's Circle** is for supporters who can commit a minimum annual gift of \$3,000 a year (\$250/month) and/or include WRR in their estate plans. For example:

- Will
- Annuity
- Trust
- Life Insurance Policy

This level of assistance is a vital part of ensuring Wildlife Rescue's financial stability, particularly during difficult economic times.

# Benefits & How to Become a Member

## Founder's Circle members will enjoy:

- Recognition as a member of the Founder's Circle on a permanent display at the WRR Sherman Animal Care Complex in San Antonio
- Your name listed on Wildlife-Rescue.org and WRR's Annual Report
- Acknowledgment at all Wildlife Rescue & Rehabilitation special events
- Invitation to annual Founder's Circle event & Exclusive Tour of the Lynn Marie Cuny Animal Sanctuary in Kendalia, Texas
- Founder's Circle Quarterly Update with behind-the-scenes information

**Join the Founder's Circle by filling out and returning the enclosed envelope or by visiting [Wildlife-Rescue.org/Support/Founders-Circle](http://Wildlife-Rescue.org/Support/Founders-Circle).**

**Because we have a staff that does exemplary work**, for which they and Wildlife Rescue have come to be known and respected nationwide, Founder's Circle members can be proud that they help fund the organization that will continue to be the primary provider of rehabilitative care and sanctuary for wild animals in Texas and beyond.

- Lynn Cuny, Founder/President
