

JOIN US FOR A

BABY SHOWER

for Wildlife

Founder/President Lynn Cuny will speak on why the need is growing and why it is more important than ever to protect wildlife.

This year, we will again rescue and care for thousands of baby wild animals. Every one of these helpless infants will require **around-the-clock care** in order to save them and return them to the wild.

Emaciated, often cold and wet and under intense stress, these wild babies are in a fight for their lives when brought to our doors. But here at WRR, **we can help them win that fight.** In fact, **we are their only hope.**

Your participation in this year's *Baby Shower for Wildlife* provides critical support for us as we begin rescuing these babies and working diligently to **keep them warm, keep them fed and keep them alive so that they can return to their home in the wild.**

Please join us on Saturday, February 16. If you cannot attend, please take a moment and send your contribution today to help us care for these baby wild animals.

These tiny creatures are on their way, and as we have seen every year for decades **they will need your help.**

I look forward to seeing you.

- Lynn

*RSVP by February 8 to
Events@Wildlife-Rescue.org
or 830-336-2725 ext 314*

*Make your contribution at
Wildlife-Rescue.org/BabyShower
or in the enclosed envelope.*
